RE:      FOIA Request for information related to deaths in custody from January 1, 2009 to present

Dear Mr. Tony:

Please be advised that the West Virginia Division of Corrections and Rehabilitation received your January 6, 2024, Freedom of Information Act request on January 8, 2024. Pursuant to West Virginia Code § 29B-1-3(a) you have the general right to inspect public records within the custody of a state agency, subject to certain limitations.

This response is being provided to you on behalf of Commissioner William K. Marshall, III, who is the custodian of records for the West Virginia Division of Corrections and Rehabilitation.

You requested:

“date of death, date of birth, jail admission date, gender, race, age at time of death, facility, manner of death, cause of death, offender status and date of birth for all persons who died in West Virginia’s regional jails from Jan. 1, 2009 through the date of the processing of this request.”

The public records which currently exist and which have been identified as responsive to your requests have been attached hereto.

To the extent you consider any part of this response a denial, the responsibility of the West Virginia Division of Corrections and Rehabilitation to respond to your initial request is at an end. If you feel the information contained in this response is contrary to law you may institute an action for declaratory and/or injunctive relief in the Circuit Court of the county in which you assert the records are kept, subject to all jurisdictional procedural prerequisites, which are specifically not waived.

On behalf of the Commissioner
