RE: FOIA Request for adult inmate count for statistics related to deaths in custody from

January 1, 2020 to December 31, 2023

Dear Ms. Whitaker:

Please be advised that the West Virginia Division of Corrections and Rehabilitation received your January 4, 2024, Freedom of Information Act request. Pursuant to West Virginia Code § 29B-1-3(a) you have the general right to inspect public records within the custody of a state agency, subject to certain limitations.

This response is being provided to you on behalf of Commissioner William K. Marshall, III, who is the custodian of records for the West Virginia Division of Corrections and Rehabilitation.

You requested:

"An excel spreadsheet of all people who died in the custody of the Division of Corrections and Rehabilitation from January 1, 2020 to December 31, 2023...[noting that] this request includes people who died following a DCR administrative release as sell as any people who died after a transfer from DCR to an ambulance, a hospital or other medical facility. For each person who died during the [specified] time period...provide the following information:

- 1. Date of Death
- 2. Admission Date
- 3. Date of Birth
- 4. Race
- 5. Gender
- 6. Age at Death

- 7. County that initiated custody (for example, though [sic] a pretrial hold or sentencing commitment)
- 8. Case Number underlying custody (for example, 20-F-304)
- 9. Facility where death occurred (or where person was in custody at the time of death)
- 10. Manner of Death
- 11. Cause of Death, and
- 12. Custody Status (pretrial, convicted etc.)."

The public records which currently exist and which have been identified as responsive to your requests have been attached hereto. Please note that the redacted portion of the responsive records is exempt from disclosure pursuant to W.Va. Code §29B-1-4(a)(2), (4)(a) and (19).

Regarding your request for production of a *Vaughn* index, one will not be provided now as such is only appropriate in litigation and there is no error if the index is provided during litigation. In *Farley v. Worley*, 215 W.Va. 412 (2004), it is noted "the *Vaughn* index is implicated by FOIA litigation-not simply by a FOIA denial. *See Natural Resources Def Council v. Nuclear Reg. Comm'n*, 216 F.3d 1180, 1190 (D.C. Cir. 2000) (*Vaughn* index is a 'rule that governs litigation in court and not proceedings before the agency.')." Thus, "[t]here is no requirement that an agency provide a 'search certificate' or a '*Vaughn*' index on an initial request for documents." *Id*.

To the extent you consider any part of this response a denial, the responsibility of the West Virginia Division of Corrections and Rehabilitation to respond to your initial request is at an end. If you feel the information contained in this response is contrary to law you may institute an action for declaratory and/or injunctive relief in the Circuit Court of the county in which you assert the records are kept, subject to all jurisdictional procedural prerequisites, which are specifically not waived.

On behalf of the Commissioner
